CAMPBELL INCORPORATION COMMITTEE FORMED

EBB BOHN DONS FARMER OVERALLS FOR ANNUAL COUNTY FAIR ROLE

Campbell's T. M. "Ebb" Bohn, man of many avocations, this month donned his overalls and straw hat to begin his second annual performance as the Santa Clara County Fair's "Cheery Farmer." Genial Ebb Bohn, long associated with the theatrical profession, will spend the coming weeks advertising the county fair through appearances at public gatherings, schools, club meetings and on the radio and television.

He will soon head a Santa Clara County delegation to Sacramento there to extend a personal invitation to Governor Earl Warren to "come to the fair."

This week Cherry Farmer Bohn took part in the big parade opening the annual Beverly-Burbank Jamboree Monday evening. On Wednesday, together with a group of fair representatives, he was at Agnew to put on a carnival show for rehabilitation of patients at the state mental hospital.

Bohn has another costume which he dons for the Christmas season. He played Santa Claus for the fifth straight year last Christmas at Hale's in San Jose, receiving the whispered hopes of some 12 to 14,000 youngsters. Last year, between stints at Hale's, he was in Campbell at Clark's Drug Store to get a line on the Christmas wants of local children. In addition, he was S. Claus at the American Legion, St. Lucy's Church and Campbell High School Christmas parties.

Ebb's the man who doesn't tear out his hair after a day with the kiddies. He's raised seven children of his own, has almost as many grandchildren, and says he loves to work with the youngsters. He must, for he works with the kids who visit the fair, too.

SPECIAL DEPUTY

Between his Christmas and the county fair activities, Bohn works as manager of the Garden City Cleaners in San Jose. Out in the San Tomas area, where he lives, Bohn has still another role, that of Special Deputy Sheriff 356 for Santa Clara County.

Principal duty of the special deputies is to serve in time of disaster or emergency, and to prepare for this work, the men are taking disaster training twice a month and receiving special FBI schooling in conjunction with the course.

There's no off season for Bohn's costume work. Come spring time he'll be appearing in a rabbit outfit for the Easter parties in the San Tomas area.

Before coming to this county, Bohn was associated with the old Hippodrome Theater in Los Angeles from 1929 to 1937. In addition, he was leader of the hillbilly band, the Rocky Mountain Mountaineers, in 1935, numbering among his musicians one Leonard Slye, now known to millions of movie goers as Roy Rogers. Another member was Bob Nolan, who later gained renown with the Sons of the Pioneers.

RADIO ENTERTAINER

During the 1930's Bohn had a radio band which played over station KMTR, Hollywood. His radio career brought him into contact with such airwave notables as Edgar Bergen, George Burns and Gracie Allen.

From now until fair time, the Cheery Farmer will be visiting service club luncheons, children's homes and hospitals to distribute invitations to the fair and to entertain the gatherings.

His getup for the farmer role consists of yellow duster, hip boots, grey goatie, blue bib overalls, corn cob pipe, glasses worn on the forehead, straw hat and carpet bag.

A-Bomb Victim Emergency Care To Be Taught

A special Red Cross first aid course on emergency care of victims of atomic bombing attacks will be held July 16 and 18 at the Campbell Union High School under sponsorship of the San Jose Red Cross chapter.

Robert McCloskey will be instructor for the "Atomic Supplement Orientation" course to be held in Room 20 at the high school, beginning at 7:30 p.m. Enrollees must have standard first aid certificates.

PATROL SUBSIDY REQUEST TABLED BY SUPERVISORS

Efforts of Campbell merchants to obtain a \$100-a-month county subsidy for Campbell Private Patrolman Robert Locke were stalled Monday when the County Board of Supervisors continued the matter indefinitely.

Two of the supervisors, Arthur W. Brown and E. O. Wool, reiterated their arguments first voiced last week, that granting the subsidy for the Campbell patrol would set a precedent by which residents of incorporated cities would have a talking point for their claim that city dwellers already pay too much in county taxes for residents of unincorporated areas.

Attorney Richard W. Morton of Campbell argued for the subsidy, pointing out that Locke may join the Los Gatos Police Department and give up the patrol, unless his net earnings can be increased. Locke receives about \$380 a month from local merchants who support the patrol, he explained, and all expenses of the patrol, such as car operation, radio, uniforms and other materials must be supplied out of this income. Net earnings per month for Locke is about \$200, the attorney stated.

Morton declared Locke answers calls for the County Sheriff's office, and made 17 arrests last year, and since Locke is a special deputy sheriff and answers the calls, he should receive the \$100 a month.

Supervisor Joseph McKinnon supported Morton's contention, claiming the patrol is well worth the \$100, but none of the supervisors answered Chairman William S. Pfeifle's five calls for official action on the request, and Pfeifle ordered the matter continued.

Harold P. Nutter New President Of Lions International

Harold P. Nutter, Camden, New Jersey, is the new president of the International Association of Lions Clubs (Lions International).

Harold P. Nutter

He was elected by unanimous vote at the 34th Annual Convention of the Association which closed at the convention hall in Atlantic City, New Jersey, June 28. Nutter succeeds H. C. Petry, Jr. of Carrizo Springs, Texas.

The convention concluded a year of unprecedented progress for Lions International according to the report made by R. Roy Keaton, Chicago, Illinois, director-general of the association. He reported the addition of 337 new Lions clubs and 14,756 men to the roster of the association during the eleven-month period ended May 31, 1951, for a total of 8,757 clubs and 417,597 members. He stated also that during the fiscal year, Lions clubs were established in three additional countries: Finland, Italy, and Uruguay. Lions International, he added, is the largest, strongest and most active service club organization in the world, with Lions Clubs in 31 countries on five continents.

Nutter is a successful business man. He is the head of the Nutter Mortgage Service, in Camden, New Jersey. Born in (Continued on Page Six)

Homer H. Hyde Takes Over Gavel Of Rotary Club

Campbell Rotarians installed their new staff of officers Monday noon and "rode the retiring president out of office on a rail" with suitable debunking comments by Emerson "Doc" Arends Jr. William Maderis, outgoing president, was the subject of the good-natured riding.

New president is Homer H. Hyde. Fellow officers for the new term are Joaquin J. Payne, vice-president; Forrest A. Reese, secretary; Lester W. Harmon, treasurer; Cel Gerevas, sergeant-at-arms; Maderis, Elvan A. Hansell and Anthony Raffanti, directors.

Maderis was presented with a past president's pin.

At the meeting next Monday, Fred Buechner, San Jose manager for a New York brokerage firm, will be the guest speaker. Buechner is a former Army officer. One of his daughters is currently studying at the Pasadena Playhouse. The other recently won a scholarship in a nation-wide essay contest.

Summer Music School To Open Next Monday

Summer music program at the Campbell Elementary School will begin next Monday, and will again be under direction of Richard Gordon who will also teach violin.

For the first day, beginners are asked to be on hand at 8:30 a.m.; intermediate and advanced students at 9 a.m. Students are asked to furnish their own transportation until a bus schedule can be worked out.

George Currin, well known San Jose flautist and clarinetist will again instruct the woodwind students. Orrin Blattner, replacing Lou Stempel who was on the staff last year, has an outstanding musical background. He is a graduate of San Jose State College and is now director of the band and drum corps at Los Gatos High School. In addition he plays first trombone in the San Jose Symphony Orchestra and directs a small dance orchestra. Blattner has won national recognition for some of his original music compositions.

Also new to the staff of the summer music program is Mary Gordon who will coach cello students. Mrs. Gordon received her training in San Francisco where she was principal cellist in the San Francisco State College orchestra. She is also a former member of the San Jose Symphony Orchestra.

Cardroom Request May Be Withdrawn, Says Martin

Protests have been submitted by the official board of the First Methodist Church of Campbell, the Pioneer Club of Campbell and Campbell Avenue merchants against application of Murray Martin for a permit to operate a cardroom in the old Campbell firehouse on Campbell Avenue.

Yesterday, Martin told the Press that he asked supervisors for a three weeks' continuance on the application, and stated he may withdraw his application.

Santa Clara County Board of Supervisors considered the application at its regular meeting Monday, then postponed action for a week pending further study of the situation by the office of County Sheriff Howard Hornbuckle. At the hearing, the sheriff recommended that Martin be granted the permit.

In a letter to the supervisors, H. E. Burke, clerk of the official board of the Methodist Church, urged supervisors to help simplify the local problem of law enforcement by refusing to grant the cardroom permit.

COOPERATION OF CITIZENS PRAISED BY L. W. HARMON

Offers of assistance and expressions of good will have been pouring into the office of L. W. Harmon since he became general chairman for the current Campbell incorporation survey, and the realtor wants everyone to know he appreciates the interest shown by the residents.

"The people have been wonderful about offering their help," said Harmon, "and I really do appreciate it. I've tried to thank everyone who has offered, but if I have failed to thank anyone personally, it is due entirely to the full-time business of handling this preliminary study. We want the help of everyone who is willing to work."

Public meetings on incorporation are going to be called in the near future, he stated, and "I urge everyone who is interested in the future of Campbell to attend the sessions and to take active part in gathering the facts and preparing for the incorporation election. Dates of coming meetings will be carried in future issues of the Campbell Press."

DEMANDING JOB

Harmon, himself, rates the thanks of the community and a great deal of praise for handling the tremendous task of the survey and preliminary organization. He has devoted almost full time to the job, despite requirements to maintain his own real estate business.

Thanks to his initiative and organizing ability, the man from Texas has established a firm, democratic foundation for the incorporation work which must follow. The informal fact-finding committee's faith in his choice of the man to handle a three-man job has been more than vindicated.

A Bomb Facts Told Kiwanians By Engineer

Oscar E. Pohl, safety engineer at the U. S. Naval Air Station at Moffett Field, spoke on the atom bomb and potential destructiveness at the Kiwanis Club meeting Tuesday noon. He was introduced by Joe Agostinho, program chairman. Presiding officer was President Fred Jones.

Pohl gave an informative and interesting talk, explaining away a number of misapprehensions about the A-bomb effect and giving facts on A-bomb effects at various levels of explosion.

He explained necessary precautions to be observed in the event of an A-bomb attack, and urged members to become thoroughly acquainted with the facts as set forth in the official booklet, "Survival Under Atomic Attack."

In the 10-minute question forum which followed his talk, Pohl told members that Campbell area residents needn't be too apprehensive about possibility of an atomic attack. Atom bombs cost over a million dollars, he explained, and the enemy would probably expend its A bombs on heavy industrial areas such as Richmond and the San Francisco area. The greatest danger in the event of such an attack would be to the large metropolitan areas, he said, where there is a concentration of ship-building and machine plants.

Santa Clara County would be relatively safe even in the event of an all-out war, he said. Greatest danger would be from radio-activity, and from breathing radio-activated dust.

CAMPBELL VISITORS

MR. AND MRS. CLARENCE GOODRIDGE, formerly of Campbell, were here from their home at Lake Tahoe for a long weekend visit with their son, PFC GEORGE GOODRIDGE, who has been on 12-day furlough. The three stayed with Mrs. Goodridge's parents, MR. AND MRS. JOHN T. MORGAN of Sunnyside Avenue. Pfc Goodridge leaves today for Fort Ethan Allen, Vt., to begin training in the airplane and engine mechanics school.

L. W. HARMON NAMED GEN'L CHAIRMAN; A. J. EMERY CAMPAIGN MANAGER ON INITIAL FACT-FINDING PROGRAM

More than 40 Campbell residents and property owners, most of them persons who had signed their desire to work on incorporation of Campbell, met Tuesday night at the Central Avenue fire house and organized The Committee for Campbell Incorporation.

Purpose of the group will be to gather information, through its various subcommittees, to be presented at coming public meetings on incorporation.

L. W. Harmon, who presided at the meeting, was elected general chairman; A. J. Emery, campaign manager and coordinator; Ethan E. Lanphear, secretary-treasurer.

COMMITTEES

The following committees were appointed by the chairman, with the assent of the general committee: revenue and taxation, E. C. Merrill, chairman; Ethan Lanphear, J. R. Locke, R. E. Schaefer, J. M. Dahl and Leslie Kerr.

Boundary: Don Reinhoel, chairman; Oliver Jensen, Russell Kennedy, Arthur Mayo, Joseph Gomes, Mark Purmort, E. A. Garrison, Herbert M. Shadle and Mrs. Ted Solari.

Charter: Colonel S. S. Stocking, chairman; Joseph Gomes, Carl B. Field, Walter Silberbauer and Gilbert Krug.

Finance and solicitation, Tom Burnett, chairman; F. J. Meyer Jr., George Egling, Harold Estensen and Robert Seligson.

Law enforcement: Jack Marsh, chairman; David Rutherford, Anthony Raffanti, Charles Chubb, Rex Kaber.

Petition, Mrs. Charles Chubb, chairman; Ben Strong, W. Earl Hamilton, Captain J. D. Ryan, Mrs. Tom Burnett.

Public information: E. W. Barnes, W. Earl Hamilton, Gilbert and Viola Krug.

Registration: Mr. and Mrs. Nicholas Nanassy, Mrs. Walter Silberbauer, Mrs. Viola Krug, Mr. and Mrs. Herbert J. Myring.

BOUNDARY COMMITTEE

Harmon emphasized that work of most of the committees hinges on early determination of the boundaries. He urged that the boundary committee go to work immediately to prepare limits for the incorporated city of Campbell, in order that other groups such as taxation and law enforcement may have a definite outline of the affected area on which to determine requirements of the community.

Early in the meeting, the committee voted its thanks to the original fact-finding committee and voted that the fact-finding group be discharged. Immediately thereafter, the incorporation committee was formed.

During the discussion, it was proposed that instead of calling general public meetings on incorporation, the chairman ask the individual committees to notify him when they have completed compilation of data necessary, after which the separate committees would advise meetings of their organizations to which the public would be invited. This would avoid confusion of a general session, the committee stated, and would enable citizens to attend the small meetings at which more could be accomplished through question and answer periods and through suggestions for improvement of the studies.

Another principal topic was the ranch area which would lie within the proposed boundaries. It was agreed that the boundary committee would immediately determine by what means it would be possible to assess farm property as farm land and not as city property.

WORKERS NEEDED

Harmon announced that more persons will be needed for the incorporation work, and more will be needed to increase the size of the present committees. "No one who is willing to work will be overlooked," he pointed out. "Anyone who wishes to work is asked to phone me at Campbell 3335 and to indicate the field in which he wishes to work."

Straw votes in the opinion poll on incorporation are still being received by Harmon's office. Of the 3100 ballots sent out to all box holders in the Campbell mailing area, the tally to date is: 803 yes, for incorporation; 143 no, 7 undecided. In the no category are

included all those who voted yes but qualified their vote by requirements for size of the community, type of government, etc.

A. J. Emery, who will coordinate the incorporation campaign, urged as much speed as possible in the committee work, and suggested that the committees organize, determine the work to be done, compile their facts and then he will meet them and assist in preparation of the reports for presentation to the citizens who would be included in the incorporated area.

"In my opinion we are living in an age of progress and advancement and unless things are done immediately we will be annexed to some other city or town. In that case we would become their taxpayers with no representation.

"As soon as the committees are organized, I will meet with them. When the information is compiled we will call meetings of those citizens who are interested and have open discussion."

CAMPAIGN MANAGER

Emery, a retired livestock judge, received his degree in poultry and dairy husbandry from Pennsylvania State College. He was first dairy commissioner for the state of Oklahoma and, during that time, judged all county and state fairs, both cattle and poultry. He bought and promoted Emery Park, a 3000-acre cooperative poultry colony south of Tucson, Arizona, on the way to Nogales, turning this one branch of agriculture into a ranking Arizona industry.

Emery promoted and managed the first county fair in Arizona, in Pima County, of which Tucson is the county seat.

The campaign manager is a native of Butler County, Pennsylvania, and was married there in 1901. He and his wife will celebrate their golden wedding anniversary on August 1 of this year.

In 1946 the Emerys bought their present home on San Jose-Los Gatos Road in the Cambrian area. They have three children, a son who is an army major stationed in Germany, another son who works for the Libby Owens Glass Company, and a daughter in Los Angeles. Another son, Enos, was killed during World War II. Another son died 10 years ago in Arizona, and a daughter died two years ago in San Francisco.

COLORFUL CAREER

L. W. Harmon, general chairman of the Committee for Campbell Incorporation is a native of Marshallfield, Mo., where he spent part of his childhood. With his parents Harmon moved to Kansas where he attended public schools at Cherryvale, and after graduation became influential in church and civic circles. He served for a number of years as a member of the board of deacons of the Cherryvale First Christian Church.

Harmon later moved to Texas where he became interested in the oil business. He was president of Byrd-Harmon Drilling Company, a Texas corporation, as well as being for a number of years field superintendent of one of the large independent oil concerns of Texas. He is married to the former Sylvester Strout, a native of Sebastopol, California. They have four children, Lt. Alfred W. Harmon of the U. S. Navy; James S. Harmon, general manager of a wholesale grocery concern of Henderson, Texas; Mrs. Erby Tate, Sparks, Nevada; and Mrs. H. Charles Ward of San Francisco.

Harmon entered the employment of the Campbell Realty Company in 1946 and acquired the company outright in 1947, later purchasing the real estate on which the office is situated.

MARRIAGE LICENSES

LUTHER B. ENYART, 30, San Jose, and PAULINE INMAN, 28, Campbell.

GENE O. ELLISON, 23, San Jose, and THELMA L. GOULD, 20, Campbell.

JOHN J. VARGAS, 32, San Jose, and JANICE N. ECKSTROM, 21, Campbell.

THELMA GOULD, GENE ELLISON UNITED IN EPISCOPAL NUPTIALS

Thelma Louise Gould and Gene Oliver Ellison were married Saturday, June 30, in a 2 p.m. ceremony at Trinity Episcopal Church, San Jose. The Rev. Howard B. Scholten read the marriage service.

The bride, who was given in marriage by her father, Mr. William E. Gould of Campbell, wore a gown of white nylon marquisette with nylon lace jacket and cap, and a fingertip-length veil. On her white prayer book she carried a spray of white gladioli and bouvardia.

Miss Patricia Feit of Campbell, the maid of honor, was attired in a dress of pink organdy with matching picture hat, and she carried a bouquet of pink roses.

BEST MAN

Maurice Ellison attended the bridegroom. Ushers were Hewitt Kendall, Franklyn Labrovich and William Chambers. Joyce Buswell was the vocalist. Mildred Shepherd was at the organ.

Mrs. W. E. Gould, mother of the bride, selected a printed sheer frock of navy blue, grey and white, with navy blue accessories and a white rose corsage. The bridegroom's mother, Mrs. Chris Weisz of San Francisco, wore a blue and white printed sheer dress with pink accessories and corsage of pink roses.

The home of the bride's parents, at 280 W. Latimer Avenue, Campbell, was the setting for the wedding reception attended by 60 friends and relatives of the young couple. When the newlyweds departed for the wedding trip to Yosemite National Park, the bride wore a pink suit accented by navy blue accessories. The couple will reside in San Jose.

EDUCATION MAJOR

Mrs. Ellison received her diploma from Campbell high school and is now majoring in education at San Jose State college where she is president of Pratt Hall dormitory. She is a former president of Chi Epsilon, Episcopal youth group. Her sisters are Marian and Christine Gould.

Her husband is chief clerk at the Santa Fe Railroad Company freight office in San Jose. He attended Sioux City, Iowa, high school, San Francisco City College and San Jose State College. He is the brother of Maurice Ellison of San Jose. A sister resides in Iowa.

Community Club To Install New Officers

Mrs. George Egling retiring president of the Campbell Community Club, will turn over the gavel to Mrs. William Beyer at the officer installation to be held at Rickey's Studio Club on July 11.

Mrs. Beyer was elected president of the club at the last meeting. Those to be installed with her are: Mrs. Arthur Cowdery, vice-president; Mrs. Harley Jones, secretary; Mrs. Richard Drew, treasurer.

New committees and their chairmen are: Miss Marilyn Toy, social chairman, Mesdames Earl Clark, Thayer Lyons, Robert Boltz, George Egling, Hector Daves, Reese Parker, Bert Robinson, George Miller and Wayne Thompson.

Mrs. Allen York, project chairman, and Mesdames George Kemp, Donald York, Verle Grizzle, Verlyn Fellman and Donald Lantz; Mrs. Fellman will be sunshine chairman.

Pajamas and scuffs for the tuberculosis sanatorium at the Santa Clara County Hospital were turned in at the meeting. Members voted to send a contribution to the fund to purchase a child's iron lung.

Next meeting will be at the home of Mrs. Reese Parker when names of prospective members will be submitted.

Netops Council Suggests Local Member for Office

Mrs. Harold O. Pawsey, acting Pocahontas, presided at the last meeting of Netops Council 247, Degree of Pocahontas. The council recommended Mrs. David Cunha to serve as deputy great Pocahontas for the coming year.

Mrs. Harriet Thome, chairman of the welfare committee, submitted a layette to Mrs. James Parker for donation to a needy mother.

The potluck supper for the baseball team sponsored by Netops Council was postponed due to conflict with a scheduled game in Sunnyvale.

Mrs. Ray Gilpatrick served refreshments at the close of the meeting.

Past Pocahontas group met Monday evening at the home of Irene Hodges.

BPWC To Greet New Members

New members will be welcomed into the group at the meeting of the Business and Professional Women's Club of Campbell next Wednesday, July 11, at the Congregational Church. Blanche Gilpatrick, chairman of the emblem committee, and Eva Grattan, membership chairman, will present the program.

Campbell Newcomers

DOMINGUEZ—To Mr. and Mrs. Adolph Dominguez, Route 1, Box 174, Campbell, a son, Daniel, June 26 at Santa Clara County Hospital.

Homemakers Plan Dress Form Study Session

Residents in the Cambrian area who are interested in making dress forms, are invited to call Mrs. Zeno Hallett, chairman of the Cambrian Homemakers group. The homemakers plan to schedule a meeting at the home of one of the residents in the near future at which time the dress form project will be started. Mrs. Hallett may be reached at Campbell 2029.

Cambrian Homemakers met on June 20 at the home of Mrs. Jack Dahoney for a discussion on outdoor cooking. Originally the meeting had been scheduled in Los Gatos Park, but the weather forced a change in location. Mrs. George Petrea and Mrs. Fred O'Neill were the project leaders, explaining fine points of outdoor cooking. Fifty women and children attended and enjoyed the lunch, after which games were played.

First anniversary of the organization of the group was observed at dessert time when cup cakes, each with a tiny candle, were served the members.

Twenty women signed up at the meeting for a garden forum held June 27 at the home of Mrs. Malcolm Blue. Mrs. Freda Dose and Mrs. Blue gave interesting demonstrations on rooting of cuttings, and offered other gardening hints.

The homemakers slipped fuschias which they expect to exchange in the early fall.

The Newlywed Charles W. Howes Establish Home In Campbell

Virginia Dorothy Mills became Mrs. Charles W. Howe in a wedding ceremony performed June 23 at Trinity Episcopal Church in Reno, Nevada, by the Rev. John Ledger.

Mrs. Richard Dolenski of Campbell gave her daughter in marriage. The bride wore a purple knit suit accented with brown and white accessories and a brown orchid corsage.

After the wedding party returned to Campbell, a reception was held June 27 at the Little Village Inn, Los Gatos, where the couple greeted 80 friends and relatives and cut a three-tiered cake. White gladioli were employed in the decorations.

The new Mr. and Mrs. Charles W. Howe honeymooned at Lake Tahoe and are now establishing their home in Campbell.

Mrs. Howe is the daughter of Mrs. Richard Dolenski of Campbell and Mr. Robert E. Mills of San Jose. The former wore a navy blue and white print dress with navy accessories and pink gladioli corsage for her daughter's wedding. Mrs. Benjamin H. Howe of Campbell, mother of the bridegroom, was attired in an aqua print dress with navy accessories and pink gladioli corsage for her

daughter's wedding. Mrs. Benjamin H. Howe of Campbell, mother of the bridegroom, was attired in an aqua print dress with white accessories and pink gladioli corsage.

The bride attended Campbell Elementary and High schools and San Jose State College. She is employed by Western Gravel Company in Campbell. Her brother is Richard Mills of this city.

Mr. Howe received his degree from San Jose State College, after attending Campbell schools, and is now with the U. S. Army. He is the brother of Robert and Milton Howe.

It's a son for MR. AND MRS. SAM TALERICO, of 330 E. Central Avenue, Campbell. The boy arrived on July 4 at 6:49 a.m. at O'Connor Hospital.

FOLK DANCING AND SONGS HIGHLIGHT WORKSHOP'S 'GREEN GROW THE LILACS'

Playgoers who attended Los Gatos Evening Adult School Theater Workshop's latest production came away with a somewhat mixed impression of the Lynn Riggs opus. Certainly its highlights were the folk dancing and songs, particularly the title number, "Green Grow the Lilacs," as sung by the feminine lead, Laurey Williams, played by Alys Swan.

Mrs. Swan's singing of the old English tune in the previous workshop play, "Anne of the Thousand Days," was one of those rare moments of beauty remembered with pleasure for months afterward. Those who attended "Green Grow the Lilacs" last weekend had another opportunity to hear the local artist.

Jimmy Benson did a workman-like job as the gawky ingenue, Ado Annie Carnes. Fritz Eaton, who played his first major role as the surly hired hand, Jeter Fry, exhibited ability which warrants development in future workshop dramatic roles.

Harrison McCreath and his class in sets and staging prepared clever sets for the play whose action takes place in Oklahoma Territory in 1900. These and the properties provided convincing background for the delightful musical melodrama.

Choreographer Virginia Jennings danced a charming waltz solo, assisted by Patty Birkett, Don Hayes, Elinor Edwards, John Freiler, Annette Ohlson, John Smart, Pat Kay, John Kay, George Smith and Bun Benson. Bud Helms was the caller, though his voice could seldom be heard by the audience.

Cotton Lattimore in the leading male role of Curly McClain was a diffident suitor; his lanky frame and drawl were well suited to the cowboy role. Lattimore, though

quite ill Friday night, went through with the show, ably assisted by his fellow actors, and returned Saturday to play a sparkling performance.

Gwyneth Baxley was a refreshing addition to the theater in her role as Aunt Elan and, with experience, should become an important member of the amateur theater group here.

Others in the cast were Douglas Fore as the peddler; John Hodgson as Old Man Peck; Ben Benson as Cord Elam; Bob Helms as Shorty; Art Dana, Lucy Mueller, Tony Broderick, Patty Van Rensselaer, Tom Patterson, Douglas Fore and Charles Bucaria. Despite occasional slowness of the Riggs book, the players gave a spontaneous, natural performance.

Director Lilian Fontaine, who has given local playgoers many hours of pleasure in her previous productions, was faced with a difficult job in selecting a play to follow so finished and remarkable a work as her "Anne of the Thousand Days."

NEWCOMERS
In "Green Grow the Lilacs," the cast consisted almost entirely of newcomers, the exceptions being Alys Swan and Fritz Eaton who have had leading and minor roles, respectively, in former workshop presentations. The Saratoga-Los Gatos area is fortunate in having so experienced and capable a director as Lilian Fontaine, and many local residents have availed themselves of the opportunity to work under her. We believe it is a principal purpose of an amateur theater group such as this to enable as many as possible to obtain theatrical experience and to give expression to their acting desires.

Those who took part in the melodrama last weekend have gained valuable training which will redound to the audience enjoyment of their future efforts, and will give each player a greater self-confidence. Olio acts for "Green Grow the Lilacs" offered cowboy songs by a campfire, and, surprisingly, a decorous Can Can number by Virginia Jennings, Annette Ohlson and George Smith.

Musicians were Pat Bucaria, banjo; Merry Lou Main and Bob Helms, guitar, and George Sandbrook, accordion. In a sextet number were Carmel Giacalone, Betty Trauth, Jim Borba, Lola Partal, Orville Lanche and Sam Garafalos.

PRODUCTION STAFF
Members of the production staff were: Lilian Fontaine, director; Claire Loftus, production manager; Harrison W. McCreath, technical director; Tom Patterson, lighting; Virginia Jennings, choreography; Jane McKenzie, stage manager; Lucy Mueller, prompter; Alys Swan, tickets, and Mr. and Mrs. William Chestnut, makeup.

In the set designing class were Don Hayes, Patty Birkett, Tom Patterson, Mary McCreath, Douglas Fore, Esther Fore, Jimmy Benson, Claire Loftus, Lilian Fontaine, Jane McKenzie, Don Swan, Patty Van Rensselaer, Ned Bispham, Tony Broderick and Fritz Eaton.

In closing, we'd like to emphasize again a need for a light signal or buzzer to indicate the close of the intermission period. This would eliminate the confusion and interruption created by tardy playgoers rushing for their seats after the curtain has gone up.

Mrs. Fontaine has announced that the next workshop play will be "You Can't Take It With You," the Moss Hart-George Kaufman comedy. Open casting tryouts will be held this Thursday at 7:30 p.m. in Los Gatos High School auditorium. Particularly needed for the play is a middle aged man, Russian or capable of supplying an authentic Russian accent.

Thief Damages Local Man's Car

Jess Willard Tate of 180 W. Rincon Avenue, Campbell, reported to the county sheriff's office Sunday that his car had been forcibly entered, and the upholstery had been set afire.

Tate told sheriff's deputies the car was parked at Bert's Country Inn, Saratoga-Santa Clara Road resort. The windshield had been smashed and Tate found the front seat in flames, he said. Investigating are Deputy Sheriffs William Mollison and Dave Adams.

LEGAL NOTICE

NOTICE OF HEARING
NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 16th day of May, 1951, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-A of the Sixteenth Unit of the Zoning Plan to reclassify certain property from an R-1-B-D zone to an R-1-A-B-D zone, said property lying between Pollard Road and between Harriet Avenue and the Campbell Elementary School Property.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 2:00 P.M. on the 20th day of June, 1951, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:00 P.M. on the 25th day of July, 1951, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION
PATRICK H. PEABODY, Chairman.

171.16.13 June 8—July 6
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA CLARA.

NOTICE OF SALE OF REAL PROPERTY.
No. 37636

IN THE MATTER OF THE ESTATE OF SARAH MITZEL, DECEASED.
NOTICE IS HEREBY GIVEN that the undersigned T. F. Kilmartin, Administrator of the estate of the above named decedent, will sell at private sale to the highest and best bidder, subject to confirmation of the above entitled Court on or after the 16th day of July, 1951, at the hour of ten o'clock A.M. of said day, at the offices of Kirby, Pasquinelli & O'Connor, Attorneys at Law, 275-North First Street, San Jose, California, all of the right, title, interest and estate of Sarah Mitzel, deceased, in and to that certain real property hereinafter described, which said real property is described as follows, to-wit:

ALL that real property situate in the County of Santa Clara, State of California, described as follows, to-wit:
BEGINNING at a railroad spike in the lot line between Lots 6 and 13 of the Henderson Subdivision, which is recorded in the office of the County Recorder of the County of Santa Clara, State of California, in Book "H" of Maps, page 113, records of said County, said point of beginning being distant N. 24 degrees 54' W. 37.03 feet from a 3" iron pipe at the angle point in said lot line, said angle point being distant N. 12 degrees 43' W. 277.05 feet from an iron bar or axel at the point of intersection of the center line of Branham Lane with said lot line, also distant S. 71 degrees 26' W. 20.99 feet from a 2" X 3" redwood stake; thence along a line parallel to the center line of Branham Lane, N. 71 degrees 26' E. 319.10 feet to a 2" X 3" redwood stake; thence along the easterly bank of the Guadalupe River N. 26 degrees 22' W. 72.26 feet to a 2" X 3" redwood stake; thence S. 71 degrees 26' W. 317.31 feet to a railroad spike in the heretofore mentioned lot line, from which a 2" X 3" red-

wood stake bears N. 71 degrees 26' E. 21.35 feet; thence along said lot line between Lots 6 and 13 of said Henderson Subdivision S. 24 degrees 54' E. 72.03 feet to the place of beginning and containing 0.523 acres, being a portion of that certain tract of land deeded to J. B. Fagalde by deed dated July 6, 1915 and recorded in Book 431 of Deeds, page 317, in the office of the County Recorder of the County of Santa Clara, State of California, and being a part of Lot 13 of the Henderson Subdivision, as hereinabove referred to.

That the terms and conditions of sale shall be as follows, to-wit: Cash in lawful money of the United States of America, ten percent of the amount bid payable upon acceptance of such bid and the balance thereof upon confirmation of the sale by the above entitled Court. All taxes and Fire Insurance to be prorated at the time of delivery of the Deed.

All bids or offers for said property must be in writing and will be received at the law offices of Kirby, Pasquinelli & O'Connor, 275 North First Street, San Jose, California or may be filed in the office of the Clerk of the above entitled Court before the making of such sale.

Dated this 20th day of June, 1951.

T. F. KILMARTIN, Administrator of the Estate of Sarah Mitzel, Deceased.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA CLARA SITTING IN SEPARATE SESSION AS A JUVENILE COURT.
No. 13862
CITATION

In the Matter of the Abandonment of SHARLEEN MILLER, A Minor.

TO: EVELYN MILLER and CHARLES KNOUSS
YOU ARE HEREBY NOTIFIED that there has been filed in the above entitled Court a verified petition showing that the above-named person comes within the provisions of Section 701 of the Welfare and Institutions Code of the State of California.

BY ORDER OF COURT you are hereby cited and required to appear before said above entitled Court at the Courtroom of said Court, located in the Juvenile Court Building, North Market and St. James Streets, San Jose, California, on Monday, September 17th, 1951, at the hour of 2:00 P.M. of said day.

WITNESS, Wm. F. JAMES, Judge of said above entitled Court and the seal of said Court this 7th day of June, 1951.

ATTEST my hand and the seal of said Court the day and year last above written.

E. T. McGEHEE, Clerk.

How Would You Like to Have the SAN JOSE WATER WORKS Pay Your Water Bill?

If You Are Mr. Average Customer
Your Water Bill Is
Around \$41.31 per Year

The common stock of San Jose Water Works is currently paying annual dividends of \$2.00 per share. The dividends from 21 shares would provide an income of \$42 per year. It would cost you about \$699 to purchase 21 shares, and your investment would be earning a return of 6 percent. We may be reached at ELgato 4-1478, or drop us a card: McAndrew and Co., Inc., 1900 Russ Building, San Francisco.

Educator Wants Free Enterprise Appreciation

The debate echoing throughout the nation over public education ranges from scholarly dissertation on method to wholehearted approval or violent condemnation.

To most parents, in its simplest form, the question is simply: Is my child being well-grounded in fundamentals, in understanding of the government and economic system under which we live; and is he being prepared to win his place in the world?

Significantly, Dr. C. C. Trillingham, noted California educator and Los Angeles County Superintendent of Schools, sides with parents perturbed that schooling may be too much on the theoretical and too little on the practical side.

School Curriculum Lacking

"Present school curriculum," Dr. Trillingham states, "does not put enough emphasis on the understanding and appreciation of the American economic system."

The doctor states that he believes California schools are doing a good job developing well-rounded citizens who will be able to take hold and face the problems which may confront them.

He declares, however: "Most of the difficulties in public education today come from the need for mass training. We face the problem of securing housing, competent teachers and adequate materials for an ever increasing population."

"I don't believe an additional course of study should be instituted in the crowded curriculum to deal with the American economic system," he said. "However, I think more stress on the American free enterprise system and the part it has played in building our country can be 'bootlegged' into subjects already being taught."

Four Fundamentals

At the present time, Dr. Trillingham stated, "the school curriculum is based on four fundamentals: civic responsibility through understanding of the Constitution, free economic enterprise, universal education and Christian ethics."

It remains to be seen, of course, whether or not Dr. Trillingham's idea will be or can be put into practice throughout the California school system.

It would seem safe to assume, however, that inauguration of his theme of the teaching of a better appreciation for United States free enterprise would go a long way toward solving one educational problem. It should go a way, too, toward easing the debate over public education as it exists today—not to mention the good it would do in turning out citizens with a basic conception of the economic fundamentals which built the nation.

Mass Blood Typing Not Recommended

Mass blood-typing of the whole state population is definitely not recommended by California civil defense authorities, according to Dr. Robert Dyer, chief of the Office of Civil Defense division of medical and health services.

This decision against "indiscriminate" blood-typing, Dr. Dyer declared, is jointly supported by the Medical Advisory Committee to the Governor the OCD division of medical and health services, and by this division's advisory subcommittee on blood and derivatives whose membership includes representatives of the California Medical Association and the American Red Cross.

"Thorough study of the problem has convinced these groups that a program of mass blood-typing could not efficiently be conducted, and is beyond the capabilities of existing laboratories in the state," Dr. Dyer explained.

"Moreover, it could be extremely hazardous, because the mere determination of a person's type of blood does not permit safe transfusions unless supplemented by other blood tests such as cross-matching."

For people who want to know their own blood type, authorities suggest two alternatives:

1. Blood is urgently needed for the armed forces, for defense stockpiling and for regular day-to-day needs of the sick and injured. If you can donate your blood to an authorized Blood Bank, it will be typed automatically and you will get the information you wish.

2. If you cannot serve as donor but still want to know what type of blood you have, consult your private physician.

Miss Herschbach Is Engaged To Paul W. Ames

Mr. and Mrs. Robert Herschbach of Cox Avenue, Saratoga, are announcing the engagement of their daughter, Dorothy Dell, to Paul W. Ames of Alderbrook Heights, Los Gatos. Mr. and Mrs. Ralph Ames are the parents of the bride-elect.

At Los Gatos Union High school, which both Miss Herschbach and Mr. Ames attended, the former was a member of the Future Homemakers of America, while the latter was affiliated with the Future Farmers of America.

Mr. Ames, who attended Lexington Grammar School near Alma, plans to enter the Cal-Aero aviation school at Los Angeles late this month, to prepare for a career in aviation mechanics. The bride-elect attended Campbell Elementary School and is employed by a variety store in that community. No date has been set for the wedding.

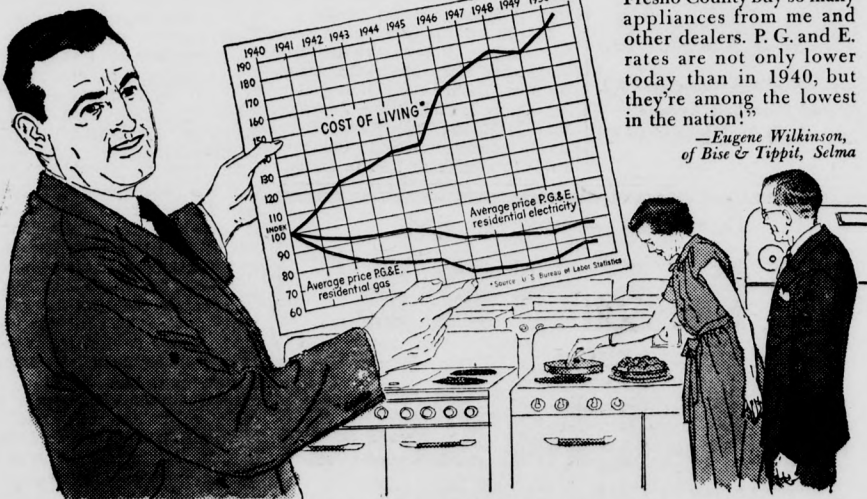

VAN RENSSELAER ADDRESSES NAT'L TREE CONFERENCE

Western Chapter of National Shade Tree Conference, Portland, Oregon, June 27-30 was addressed by Maunsell Van Rensselaer, Director, Saratoga Experimental Gardens, on "The Role of the Arborist in Intelligent Community Planning."

As chairman of the Arboreta committee of the conference, Van Rensselaer headed a symposium on progress in ornamental horticulture in the Pacific Northwest. Taking part in the symposium were representatives from the University of British Columbia Botanical Gardens, Vancouver, B.C.; Queen Elizabeth Arboretum, Vancouver; City of Victoria, B.C.; University of Washington Arboretum, Seattle; Finch Arboretum, Spokane; Hoyt Arboretum, Portland; and the proposed Oregon State Arboretum.

"Your gas and electric rates are lower than in 1940... no wonder you use so many appliances!"

Your P. G. and E. household rates are lower today than in 1940. The reason is simple: the average customer uses about twice the gas and electricity he did in 1940. That larger use helps cut delivery costs. Moreover, skilled employees and careful management work together to improve efficiency. The results are passed on to you in the form of low rates. We don't think these low rates are the only reason you buy so many appliances. But we do think they help you enjoy them more.

"We moved into our new home last year. I think we have about every modern appliance it takes to make living easier and more fun. My hobby is my workshop, power equipped. Yet electricity accounts for only 1% or 2% of our family expenses!"

Sport Scenes

By HAL BORCHERT

This reporter had the pleasure and the privilege of umpiring at a Junior league softball tilt the other night and despite the boos and other ruffs we had a fine time and saw a terrific game.

The way those kids play ball is phenomenal, especially the pitchers. One of the hurlers the other night gave up only two scratch hits while the other only allowed four safeties. Each walked three or four but that was probably the umpire's fault. One of the kids whiffed nine batters in four innings.

SPORTSMANSHIP GREAT

The game was marred by many errors which is not unusual. The thing that was unusual was that none of the kids jumped on the teammate who made an error and the pitchers who are usually the most ruffled by bobbles, took them in stride. Actions like these are seldom seen on the diamond. At least it was about the first time this reporter has seen such an exhibition when so many errors were made.

Sportsmanship and teamwork like this is a great credit to the kids, the coaches and managers, and the softball directors. Anyone who has watched youngsters play ball very often couldn't help being impressed with the brand of softball played in this league.

CUGS WINS TWO

While on the subject of the Junior league two practice games were held last week with Campbell Grammar school the victor in both contests. The Campbell lads defeated Cupertino Youth Center 8-4 and downed Cambrian Market 7-2.

Pitcher Hill was on the mound in both contests for Campbell. In the first game he held Cupertino to two hits and allowed but three safeties to the Marketmen. Against Cambrian the young hurler blasted a home run with two men on but failed to score himself because he missed second base on his trip around the sacks.

GAME TONIGHT

The last game on the first half of the Class B league will be played tonight with Netops going against the Jr. Chamber of Commerce. Game time is 7:30.

Next Tuesday the Junior softball tourney which winds up first half play in that league, gets underway. Also on the sports agenda for that day is the major league All-star game in Detroit's Briggs stadium. Sportswriters are supposed to be impartial and unbiased so we won't make a prediction for the Junior league tourney but can't help forming an opinion on the All-star game.

REVENGE MOTIVE

Being an American league fan ever since we knew what the willow and the horsehide were for, we'll tag along with them again this year. The boys from the Junior circuit will be seeking revenge for that 14-inning heartbreaker last year and we think they'll do it in regulation time.

COACHES RETURN

Junior Morgan, high school coach, and two colleagues, Coach Bert Robinson and Coach Jim Muir recently returned from a trip to Twin Echoes, Idaho, where they took a Red Cross course in life saving. Morgan tells us that they had nothing but hard work, but profited a great deal by it. The three will work with high school students next year when the new swimming pool is completed.

LEE L. ANDERSON HEADS TRUSTEES

Lee L. Anderson has been named president of the board of trustees of Campbell Union School District, following recent post-election reshuffling of offices. Walter W. Williams will serve as clerk. Other board members are Edwin C. Van de Mark, Ed A. Merrill and L. E. Means.

HARDWARE BOYS, CUPERTINO Y. C. NOTCH VICTORIES

Campbell Hardware and Cupertino Youth center came up with Junior league victories this week to keep their undefeated string clear. Both teams now have three straight victories with no defeats.

The lads from the Hardware store came from behind to grab a 7-5 victory over Campbell Grammar school while the Cupertino Youth center won a hard-fought 7-4 victory over the Los Gatos Kiwanis club.

The Hardwaremen were losing 5-2 when they staged a five-run rally to down the schoolboys. They got only one hit during the rally but were aided by four walks and two errors.

Cupertino Hurler Martinez gave up only two hits to the Los Gatos boys in notching the 7-4 win. He fanned six and allowed four walks. Shortstop Carrasco was the big hitter for the winners with two bingles including a double. Catcher Griffin also doubled. His blow brought two men across the plate.

Pitcher Jim Boggs lost no prestige despite the score. The little Los Gatos hurler fanned nine men in four innings. In the second frame he struck out the side on only 12 pitches. He was tagged for only four base knocks and walked only two men. The infielders had trouble handling the ball when it counted most which aided the Cupertino cause.

CALADO KNOCKS ODDFELLOWS, 12-5

Scoring in every inning the Calado softball ten downed the Junior Oddfellows 12-5 in a Class B league game Monday night.

The winners scored three times in the first frame and repeated the rally in the second inning. The rest of the runs were just insurance as Pitcher Martin limited the Oddfellows to six hits to coast to the win.

The Oddfellows had their big inning in the fourth when Pereira, Shumway, and Gilpatrick came up with consecutive hits to push across three runs.

Second baseman Silveira with two hits paced the attack for the winners. Pitcher Martin aided his own cause with a double in the fourth inning which drove in two runs. Right fielder Mayse had a bases loaded double in the second frame.

In garnering the win Martin struck out four Oddfellows and walked only two. Loser Shumway was tagged for eight base hits and gave up the same number of free passes.

Guest Ministers Substitute For Dr. Corwin Olds

Rev. W. H. L. Marshall will be the guest minister at the Congregational Church of Campbell this Sunday. On the succeeding Sunday the guest minister will be Rabbi Iser Freund, formerly rabbi of the Temple Emmanuel Jewish congregation in San Jose.

The regular minister, Dr. Corwin H. Olds, is on 15-day duty with the National Guard at Camp Irwin. He will return to the pulpit on July 22.

SPORTS

Junior Tourney Gets Underway Next Week; Trophies Presented To Victors

The four top teams in the Junior softball league clash head-on Tuesday night in the semi-finals of the Junior tournament. The two winners on Tuesday night will meet in the finals on Thursday.

Besides fighting for prestige, the lads will be battling for two trophies which will be presented to the first and second place teams.

At Press deadline the four teams who looked like they would be contenders for the tournament crown are Campbell Hardware, Cupertino Youth Center, Campbell Grammar school, and the Los Gatos Kiwanis club.

Los Gatos has two more games to play before the tournament. Campbell Hardware and Cupertino Youth Center were scheduled to play last night. The winner of that game is undisputed leader of the first half round of play. Going into the contest both teams had 3-0 records.

Campbell Grammar	1	2
Los Gatos	0	2
Cambrian Market	0	3

Standings as of July 4.

Veterans Bounce Hardwaremen 8-5 In Class B Tilt

VFW got back to their winning ways this week as they downed Campbell Hardware 8-5 in a Class B softball tilt.

The winners got down to business in the opening frame by grabbing a 3-0 lead. Leadoff man Cabral sent the Veterans on their way when he blasted a two and one pitch for a home run. Two more runs crossed the plate before Pitcher Ira Ellison could retire the side.

Undaunted by the opening rally Campbell Hardware came up with one of their own in the following frame and took a 4-3 lead. Playing heads up the Hardwaremen took advantage of three VFW errors to score their four runs.

The lead changed hands in the third when VFW came through with a two run rally but the Hardwaremen tied it up in their half of the frame. The score was tied until the last spasm when the VFW ten scored three runs and came up with a victory.

Secondbaseman Cabral was the big stick for the winners with two for two. He had a double and his first frame home run. His last trip up Pitcher Ellison walked him on four straight pitches and he later scored on Danny's two bagger to give him a total of three runs.

VFW's Danny limited the Hardwaremen to four safeties. He fanned four and walked two in collecting the win. Aiding his own cause Danny blasted two hits including a double with two men aboard in the last inning rally.

McIver Opening Grab Bag Center

James McIver, operator of the Western Cold Storage Company in San Jose, has announced opening of a grab bag food locker center on South Bascom Avenue in the Burbank shopping area. McIver said he plans to open similar stores in other areas as soon as locations can be obtained.

Independents Win Two Softball Tilts

The Independents of the Class B loop grabbed two victories in softball play last week, one of them league and one practice.

Junior Chamber of Commerce was the victor of the Independents in the league tilt as they lost 9-2. In the practice tilt the Independents won a hectic 15-13 victory over the Junior Oddfellows.

Independent Pitcher Aspesi limited the Jaycee men to six scattered hits and pitched shutout ball after a shaky first inning in which his opponents got two runs. Aspesi struck out five batters and walked only two men. Leading hitter for the Junior Chamber was Shortcenter Ambler who had two for two.

The winners grabbed a 3-2 lead after the first frame and added four runs in the second and two more in the fourth. The Independents got only five base knocks from Pitcher Wilson but were aided by nine walks and two Jaycee errors. Pacing the winners' attack at the plate was Shortstop Sisemore who blasted two for two and scored three runs. He walked once.

In the Independent-Oddfellow contest, the opposing pitchers had trouble finding the plate in the early innings and when they did the hitters were blasting the ball. The score at the end of the first two frames was 12-10 in favor of the Independents. Both teams scored again in the third and then the game turned into a pitchers duel. Oddfellow pitcher shut out the Independents during the last four frames but by this time it was too late.

Centerfielder George Miller and Firstbaseman Miller paced the attack for the Independents with three base hits each. Sisemore was the winning chucker.

Baptist Church Pastor To Speak On 'Holy Spirit'

"Grieving the Holy Spirit" has been chosen as the topic for the morning worship service at 11 o'clock in the Campbell Baptist Church, 115 Sunnyside Avenue, as announced by the pastor, the Rev. Lyle E. Cushman. Special music will be provided by the choir.

In the evening Evangelistic service at 7:30 o'clock, "Fools of the Bible" has been selected as the topic. Singspiration, testimony and Bible exposition mark the evening service. The public is invited to all services of the church.

Bible School meets Sunday at 9:45 a.m. with classes for all ages. Two classes are provided for the adults.

Wednesday Bible study and prayer hour is at 7:30 p.m.

Davenport Downs Calado Team, 9-2

Calado pulled the fielding gem of softball—a triple play—against the Davenport Electric ten last week but that was their only consolation as the visitors from Los Gatos downed the Photographers, 9-2.

The triple play came in the sixth inning with the bases loaded and cut down a potential rally by the visitors.

Davenport came back in the next frame however and broke up a 3-2 duel with a six-run rally and iced the contest. The winners only got two base hits in the fateful sixth but were aided by two errors and two free passes.

Calado Pitcher Mayse gave up only five singles but walked five and was hampered by five errors. Walters was on the mound for Davenport and gave up seven base hits and walked only two men in notching the win. He fanned seven batters and was never errorless support by his team mates.

Thirdbaseman J. Silveira was the leading hitter for the locals with two singles in three trips. The battery mates Rodrigues and Mayse both hit doubles for the only extra base blows of the night.

Agriculture Dept. Plans Exhibit At Sacramento Fair

Of special interest to the farmer and home owner will be an instructive exhibit arranged by the United States Department of Agriculture for the California State Fair, August 30 through September 9.

Located in the farm and home equipment area, the federal department will concentrate on seven features which are designed to highlight the work of the department.

One division will deal with termites and how they damage the home. Work of combating the insects will be explained. A second division will show soil erosion and the steps the farmer should take to prevent the loss of fertile ground. The third division, entitled the "Eleven Lost Pigs," will explain the importance of care to raise the birth rate above the present level.

Other divisions will feature publications of the department, tips on guarding health, insect pests in the garden, and insect pests in the home.

Public Assistance Cost Increase Seen By Taxpayers

Under present federal law, Santa Clara county will get about \$3,182,000 in federal funds for its public assistance programs during 1951-52, based on a projection of aid payments during 1950-51, California Taxpayers' association said today.

Federal funds going toward the \$730,919 aid paid in the county during April, 1951, amounted to \$265,157 or 36.3 per cent of the total aid paid out. State funds amounted to \$315,548 or 43.2 per cent. County funds for the one month amounted to \$150,214 or 20.5 per cent of aid payments.

Statewide, California can expect about \$128,000,000 in federal funds towards its \$330,000,000 public assistance bill—aid to the needy aged, blind, dependent children, and others—during the 1951-52 fiscal year, if no further expansion is made in federal support.

Warning that a measure proposing further liberalization in federal support of aid to the aged, blind, and children programs will shortly be before the U.S. Senate, the association said:

"The measure, an amendment to H. R. 2416, proposes that federal support of aid to the aged and blind programs throughout the country be increased by \$5 per person per month and aid to children by \$3 per month—an estimated increase in cost to taxpayers of \$19,553,000 per month for 1951—or about a quarter of a billion dollars for one year.

"Such so-called 'gifts' from Washington cost Californians

more in taxes than they ever get back in subsidy," the association declared.

"Every dollar of federal subsidy to California costs Californians about \$1.25 in federal taxes.

"Congress should refuse this and every other proposal for new subsidies for any level of government."

GEN. CHARLES A. WILLOUGHBY, in Calif—"California is a springboard for Communist infiltration for the Far East."

DR. JOHN W. CLINE, S. F., Pres. American Medical Association—"No health crisis or medical emergency exists in this country."

CAMPBELL REGISTER

MRS. JERRY VICK of S. Union Avenue is on a 7,000-mile cross country tour which will take her to principal points of historical interest in Washington, D. C., and Virginia. Together with 73 other persons from the area, she is on a San Jose Adult Center Vagabond tour. The two busloads of travelers left last Thursday and Friday, accompanied by David L. MacKay, adult center director, and Dr. Levi Gilbert, school supervisor, who are serving as tour leaders. Congressman Jack Z. Anderson of this district will be a guest of the tourists at a dinner party in the nation's capital. The tour party will visit Mount Vernon, Wakefield, birthplace of George Washington; Stratford Hall, home of the Lee family; Monticello, home of Thomas Jefferson; Civil War battlefields; Richmond, Virginia; Williamsburg, Memphis, Arkansas Hot Springs, Santa Fe, New Mexico, and Mesa Verde National Park. The itinerary provides for travel through 22 states, visits to ten national and military parks and five universities.

Rain was the frequent companion of MR. AND MRS. GALEN THOMPSON of Woodard Road, during their recent three-week motor tour eastward. The Thompsons' principal objective when they left Campbell on the trip was Anderson, Indiana, where they attended the graduation of their son from Anderson College. ALLAN received his BA degree and is preparing for the ministry. The Campbellites also stopped in their former home town, Sharon, Pennsylvania, and visited Mrs. Thompson's brother-in-law and sister, Mr. and Mrs. Fred Messersmith, and Mr. Thompson's brother and sister-in-law, Mr. and Mrs. Charles Thompson, all of whom live near Sharon.

MRS. CORWIN H. OLDS is due to arrive at the San Francisco airport by Pan American Clipper on Thursday morning, and will return to Campbell the same day. Mrs. Olds has been in Honolulu for the past seven weeks, visiting her son and daughter-in-law. REV. CORWIN OLDS returned from Camp San Luis Obispo last week, and will leave Saturday for fifteen days active duty with the California National Guard at Camp Irwin, near Barstow.

A no-host picnic was held by a group of Campbell-Los Gatos area families July 4 at the home of MR. AND MRS. GALEN THOMPSON on Woodard Road. Present were: MR. AND MRS. NELSON COWDERY and AILEEN COWDERY; MRS. DORIS BRAINERD and sons, STANLEY and STEPHEN; MR. AND MRS. ARTHUR COWDERY; MR. AND MRS. E. M. BLAIR and family, MRS. CARRIE THOMPSON, MR. AND MRS. WAYNE THOMPSON and family, and MR. AND MRS. A. C. THOMPSON and their daughter.

Measles Epidemic Declines In County

Number of diseases reported to the Santa Clara County Health Department dropped sharply for the week ending June 23. Continuing a decline that began the previous week, slackening of the past measles epidemic accounted for greatest part of the decline, with reported cases of measles down 50 for the week, compared to 87 for the week before.

Single cases of measles were reported in Saratoga and Cupertino. Other diseases reported include 2 chancroids, 6 chickenpox, 11 gonococcus infections, 3 mumps, 6 german measles, 12 syphilis, and single cases of epilepsy, polio rheumatic fever and scarlet fever.

The number of cases of venereal diseases in the county was greater than that for the previous week. Usually there is a considerable variance from week to week in the number of these diseases.

Reliability Test For Foreign Car Club To Begin Here Sunday Morning

A new kind of automobile race—so safe that some entries are bringing their wives and babies—is being run next Sunday in Santa Clara county for the first time. The scene will be Campbell and surrounding neighborhoods. It's called a reliability test for driver and car and has been an event in England for the last 70 years.

The reliability test is being sponsored by the newly formed Peninsula Car Club whose membership consists of peninsula people who own cars of foreign make, principally British. The test, because it emphasizes rules of safety and obedience of traffic laws, is endorsed by the Santa Clara County Green Cross.

Between 25 and 30 cars, including British MG's, Jaguars, Humbers and Hillmans will start off in Campbell in front of McCoy's British Car showroom on Winchester road at 9:30 a.m. this Sunday, July 8. Cars will be flagged off in turn at intervals of between two and five minutes. At the starting line each entry will be given a sealed envelope containing a secret route of 30 miles which must be followed.

ORDINANCE CHECK

Reason for secrecy is the fact that the race goes through areas that are posted and other areas where local ordinances apply. There will be spotters all along the route who will check to see that the driver obeys all laws and regulations. If for example a driver arrives at a certain point too early the spotter at that point makes a check against the driver because he has traveled too fast.

All points watched by spotters have exact times for the various drivers to arrive depending on when they left the starting line. If a spotter sees a driver fail to stop for a pedestrian, this too counts against him. In 25 mile zones the drivers must go 25 miles or slower. He must signal all turns and obey all other rules and laws.

The car arriving at the exact scheduled time for his car with the least checks against him will be given the first award by the Peninsula Car Club. All contestants will take part in a picnic at the site of the undisclosed finish line.

"It is gratifying to know that local organizations are sponsoring events which highlight safety," states Kevin Twohy, executive secretary of the Green Cross.

This reliability test of car and driver conducted by the Peninsula car club should remind the public that it is possible to enjoy an automobile as sport and at the same time obey the traffic laws and protect the lives of people in the community.

GREEN CROSS

"All entries will carry the seal of the Green Cross.

"The reliability test is being conducted just as the Santa Clara County Green Cross is closing its campaign for public support. I hope the test will be witnessed by many people in the community who will thereby be made more con-

scious of the need to stress safety on the road at all times. As the Green Cross closes its drive we again urge that all who are interested in saving lives through the promotion of safety to send us a contribution so that we can carry on the good work."

Members of the Peninsula car club live in the area from Redwood City to San Jose. Robert Peterson is president, Mrs. Fred Scherer of San Carlos is secretary and Lowell Smith of Los Gatos, treasurer. Executive committee in charge of the reliability test consists of J. Trethewey, Richard Jones and W. H. Mander of Los Gatos. Cooperating in the test are Tip Blume of San Jose, Clifford McCoy of Campbell, Arnold Krimont of Los Gatos and Stan Burberick of San Carlos, all British motor car dealers.

SERVICE NOTES

J. W. WIMBLEY, JR.

John William Wimbley Jr., son of Mr. and Mrs. J. W. Wimbley of 240 W. Campbell Avenue, Campbell, has been inducted as a member of the Army's Enlisted Reserve Corps and has been assigned to Company D, First Infantry Regiment, Sixth Infantry Division at Fort Ord.

Prior to entering the armed forces, Pvt. Wimbley was employed as a mixer of auto spray paint. He attended Balboa High School.

H. E. HARDIN

Sgt. Harvey E. Hardin, U. S. Marine Corps, of 937 Carola Avenue, Campbell, has become one of the first Korean war veterans to be released under the Marine Corps Reserve release policy. The reservist has been discharged and returned home. He was recalled to active duty in July of last year, and was sent to Korea a month later.

PFC. CLOYD WILLIAMS

Word has been received from Pfc. Cloyd Williams that he has arrived in Arlington, Virginia, and is enjoying visits to points of interest on the Virginia side of the Potomac and in the nation's capital. Pfc. Williams begins his duty at the Pentagon building next week.

GI BILL GRADUATE STUDY

World War II veterans who received a bachelor's degree this

June and who plan to go on to post-graduate study under the GI Bill of Rights have been warned by John W. Davis, Veterans Service Officer, that they must take action without delay to protect their remaining entitlement under Federal law.

Under regulations issued by the Veterans Administration, Mr. Davis explained, a bachelor's degree is considered completion of a course of study, and graduate work is therefore regarded as a new course. For most veterans, the deadline for starting a new GI bill course is July 25 of this year. If he fails to do so before that date, he forfeits all his remaining entitlement to Federal educational aid.

If, however, the senior veteran student proceeds at once to apply for a "supplemental certificate of eligibility," and has it on file with the VA prior to the date of his graduation, he may go to graduate school in the Fall with the benefit of whatever entitlement he has.

Other special cases under the July 25 deadline regulations apply to teachers and pre-medical and pre-dental students, Mr. Davis said. Further information about the education and training provisions of the GI Bill and how they are administered is available at the Santa Clara County Veterans Service Office, 215 North First Street, San Jose.

QUESTIONS AND ANSWERS

QUESTION: I completed pre-medical training under the GI Bill, but I won't be able to get into medical school by the July 25 cut-off date. What must I do in order to be admitted after that date?

ANSWER: You must provide VA with evidence that you applied for admission to medical school each year after you finished your pre-medical training. If you do this, VA will consider your training interrupted for a reason beyond your control, and will permit you to go ahead with your professional training whenever a school has room for you—even though that happens to be after the July 25 cut-off date.

Personal Injury Suit Settled For \$11,500

Settlement of personal injury suit stemming from an accident on March 13, 1949, at the intersection of San Jose-Los Gatos Road and Hamilton Avenue was reached Monday in the court of Superior Judge Ralph McGee.

Plaintiffs Mary L. Lynn, 74, and Olga Johnson, 69, both of 518 Flagg Street, San Jose, settled for payment of \$11,500 in their suit against Elmer Brown, 72, of 485 S. Francis Street, San Jose. Settlement provides \$10,000 for Mrs. Lynn and \$1500 for Mrs. Johnson.

Attorneys David S. Lull and James F. Boccardo represented the plaintiffs.

F. W. Rempfer, Spanish War Vet, Dies In San Jose

Frederick William Rempfer, native of the Ukraine, died Monday, July 2, in San Jose at the age of 76. He was the father of Mrs. Hilda Marovich of Campbell.

Besides Mrs. Marovich, Rempfer leaves other daughters and sons, Mrs. Bertha Liebig of Galt, Mrs. Pauline Lawyer of Mountain View, Freda Furtado of Sunnyvale, Henry William Rempfer, Mrs. Rose Vigario, and Walter Rempfer, all of Sunnyvale. He leaves two brothers and two sisters in Minnesota, 22 grandchildren and three great-grandchildren. Rempfer was a veteran of the Spanish-American War.

Funeral services were held Thursday, July 5, in Sunnyvale. Interment was at Alta Mesa Cemetery.

More About Lions President

(Continued from page 1)

Milford, Delaware, Nutter is a graduate of the University of Delaware and Temple University Law School. He is a member of the Kappa Alpha fraternity.

In electing him their new president, the Lion delegates elevated Nutter from the office of international first vice-president, in which office he had served during the 1950-51 fiscal year. He had previously served also as second vice-president and as third vice-president. From 1943 to 1945—and again from 1946 to 1948—he was a director of Lions International. Prior to that, he was chairman of the Lions board of governors in 1942-43. President Nutter has also just completed a year of service as the U. S. member, and vice-chairman, of the Lions board of international relations.

Lion Nutter has also served his own Lions club at Camden in many capacities, including president, vice-president and director. Also, he served as deputy district governor and district governor of the Lions clubs of the entire state of New Jersey. He is a master key member of his club and has a record of 19 years' perfect attendance at club meetings.
